

SINCE JULY 2010

New sod on #3 ~ new and bigger tee
New computers in clubhouse ~ offering rewards
New patio furniture ~ adding look and comfort
Aerification of greens & new mower to verticut ~ much nicer
Aerification and top dress tees ~ better tees in future
Over 750,000 lbs of grindings ~ continue to fix paths daily
New beer cart and 4 new carts ~ fixing up existing
Adding rangers to the staff ~ organizing tee times and flow
Starting on paving the parking lot ~ a little at a time
New flag pole and fire pits ~ respect and comfort
New Grill ~ fresh grilled burgers and hot dogs daily
Increase budget on fertilizing to keep course green
Added drain tile to #2, #5 & #18 ~ big improvement
New sand in the bunkers ~ beautiful and easier to hit out of
New fairway mower ~ nice tight cut with lined fairways
New landscaping ~ beautify the front entrance
New cedar trash containers ~ clubhouse and pavilion
New yardage markers ~ making it easier to find yardage

PLANNED FOR 2013

Expand size of tee boxes ~ flatter and more room to move markers
Water well ~ keeping the course green during the dry months
Added sprinkler heads ~ getting water to all tee boxes
New tee markers ~ better first impression to every hole
Paint clubhouse, ball washers, trash cans ~ new look
Additional landscaping ~ beautifying the course and pavilion
